## Here Comes The Sun Lyrics

Here comes the sun, doot n' doo doo Here comes the sun and I say It's all right.

Little darling, it's been a long cold lonely winter Little darling, it feels like years since it's been here Here comes the sun, doot n' doo doo Here comes the sun, and I say It's all right

Little darling, the smiles returning to the faces Little darling, it seems like years since it's been here Here comes the sun, doot n' doo doo Here comes the sun, and I say It's all right

Sun, sun, sun, here it comes Sun, sun, sun, here it comes

Little darling, I feel the ice is slowly melting
Little darling, it seems like years since it's been clear
Here comes the sun, doot n' doo doo
Here comes the sun, and I say
It's all right

It's all right

Here comes the sun
