Heroes (We Could Be)

Lyrics

We could hide away in daylight
We go undercover, wait out the sun
Got a secret side in plain sight
Where the streets are empty, that's where we run

Everyday people do everyday things but I can't be one of them
I know you hear me now, we are a different kind.
We can do anything

We could be heroes, ooh.
We could be heroes, me and you.
We could be heroes, ooh.
We could be heroes, me and you.
We could be

Anybody's got the power
They don't see it 'cause they don't understand
Spin around and round for hours
You and me, we got the world in our hands

Everyday people do everyday things but I can't be one of them.
I know you hear me now, we are a different kind.
We can do anything.

We could be heroes, ooh.
We could be heroes, me and you.
We could be heroes, ooh.
We could be heroes, me and you.
We could be

We could be heroes, ooh.
We could be heroes, me and you.
We could be

All we're looking for is love and a little light, love and a little light.
(We could be)
All we're looking for is love and a little light, love and a little light.

We could be heroes, ooh.
We could be heroes, me and you.
We could be
